The new edition of The Story of Ancient China is now in color and has been revised and expanded to take account of recent discoveries and contemporary issues of scholarly debate.The Story of Ancient China focuses upon each of the major historical periods, from the Neolithic period through the Tang dynasty. It traces the evolution of the Chinese city-kingdom and provides clear explanations of such concepts as yin and yang, feng shui, and the Mandate of Heaven. Tales drawn from Chinese mythology and legend introduce the student to such colorful figures as the Yellow Emperor and the Queen of the West, and they demonstrate why the dragon has always been loved as well as feared in China. Lively narratives depict the lives of such legendary sages as Confucius and Lao Tzu and explain the origins and evolution of the "big three" schools of Chinese thought - Confucianism, Daoism, and Buddhism. Special attention is paid to Chinese ingenuity, highlighting such inventions as paper, the compass, silk cloth, the wheelbarrow, the kite, and gunpowder.

(© 2015) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course IV of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age.Students deepen their understanding of Jesus Christ, the fullness of God’s Revelation, as they encounter him in the living Body of Christ, the Catholic Church.Jesus and the Church: One, Holy, Catholic, Apostolic supports Course IV of the USCCB curriculum and is the first high school textbook released by Ave Maria Press in its new Encountering Jesus series. As they engage with the content of this text, students will recognize Christ present and active in their lives through the visible and vibrant mission of Church, defined by her four characteristics—one, holy, catholic, and apostolic.While Jesus and the Church places the foundations of the Church in their historical and scriptural context, the textbook goes further by guiding students to recognize the sacred nature of the Church and engaging them to more actively participate in the living Body of Christ and serve as witnesses to the sacred Gospel in the world today.Simply put, the goal of the book—as in the Encountering Jesus series as a whole—is to change the lives of students by making real-life connections between what they are learning about the Church and how they encounter Jesus in the contemporary world.
