Frog is not content to be just a plain green frog, he wants to do the things his friends can do. He tries to fly like Duck, to bake cakes like Pig and to read like Hare. But all his attempts are doomed to failure, and Frog is disconsolate, until Hare points out that his friends love him just the way he is. And in any case, he can swim and leap better than any of them! 'Frog is an inspired creation - a masterpiece of graphic simplicity.' - Guardian

Eden has never fit in. He hears words that have not been spoken, and can see flashes of futures that may never come to pass. Out of his time, place and comfort zone, Eden lives inside his head, constantly haunted by the idea that there is something else. Something more. Running from those who would harm him, Eden breaks through a Divide believed only in myth and stories, and finds himself in another realm—a place, he soon discovers, he should have been in all along.
