A year after his first wife's death, Yen Mah's father married a very young half-French, half-Chinese woman and had two more children with her. As described in Chinese Cinderella, Yen Mah's stepmother despised her stepchildren and was vicious in her mistreatment of them, creating an abusive and fearful home environment. Yen Mah spent much of her childhood in and out of boarding schools, often being moved around due to the Japanese occupation of China and Mao Zedong's march of ...

A Chinese proverb says, "Falling leaves return to their roots." In her own courageous voice, Adeline Yen Mah returns to her roots to tell the story of her painful childhood and her ultimate triumph in the face of despair. Adeline's affluent, powerful family considers her bad luck after her mother dies giving birth to her, and life does not get any easier when her father remarries. Adeline and her siblings are subjected to the disdain of her stepmother, while her stepbrother and stepsister are spoiled with gifts and attention. Although Adeline wins prizes at school, they are not enough to compensate for what she really yearns for -- the love and understanding of her family. Like the classic Cinderella story, this powerful memoir is a moving story of resilience and hope. Includes an Author's Note, a 6-page photo insert, a historical note, and the Chinese text of the original Chinese Cinderella. The daughter of a wealthy Hong Kong businessman describes her very difficult childhood and the psychological abuse she suffered at the hands of her stepmother

During her lonely childhood in Shanghai, Adeline Yen Mah wrote adventure stories to escape from her terrible step-mother and cruel siblings. The characters she created often became more real to her than her own family. In Chinese Cinderella and the Secret Dragon Society, Adeline tells the story of Chinese Cinderella, a young girl who, after being thrown out of her home, has no choice but to go out and seek her own destiny. Soon she meets up with a group of children, all orphaned but each from a different background, who live with an old lady called Grandma Wu. Chinese Cinderella, or CC for short, decides her future after consulting an ancient book which helps to show her the way forward. And her choice takes her on a mission to save the lives of others. Based on a true-life incident during World War II, CC and the others bravely rescue a group of American pilots whose plane crashed after a bombing raid on Japan. Although her father is looking for her, CC knows that she can never go back to live with her cruel stepmother, and now there is no turning back.

CC suffers a bad fall and, in order to treat her injuries, she undergoes hypnotherapy that reveals her connection to an eleventh-century girl named Mei Lan, who defied convention to befriend a household servant who was a brilliant artist.

Glowing, full-color watercolor illustrations capture the essence of the ancient Chinese tale, which predates the familiar Western story of Cinderella.

This book will introduce you to the most famous people and events in China during the last 2200 years

In this poignant memoir the New York Times bestselling author of Falling Leaves, Adeline Yen Mah, provides a fascinating window into the history and cultural soul of China. Combining personal reflections, rich historical insights, and proverbs handed down to her by her grandfather, Yen Mah shares the wealth of Chinese civilization with Western readers. Exploring the history behind the proverbs, she delves into the lives of the first and second emperors and the two rebel warriors who changed the course of Chinese life, adding stories from her own life to beautifully illustrate their relevance and influence today.

The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.
