The Defining Decade: Why Your Twenties Matter and How to ...

The twenties are a supremely important decade that shouldn't be considered inconsequential.

Necessary experiences happen, plus your brain has one last bout of development at this crucial age. Other times, like when I reached the fertility chapter, I felt Jay become extremely judgmental and one dimensional.

The Defining Decade: Why Your Twenties Matter and How to ...
Meg Jay, author of The Defining Decade: Why Your Twenties Matter and How to Make the Most of Them Now, calls the twenties the most critical period in adulthood, a time when we're primed for growth and change, a period of experiences that in many ways influence the adult lives we'll lead. My twenties were all these things and more.

Our Roaring 20s: 'The Defining Decade' : NPR

The Defining Decade (2012) Our [thirty-is-the-new-twenty] culture tells us that the twentysomething years don't matter. Some say they are an extended adolescence. Others call them an emerging adulthood. But what if thirty is not the new twenty? Meg Jay argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most

The Defining Decade (2012) - Dr. Meg Jay

Having goals can make us happier and more confident. Goal setting in your twenties can lead to more mastery, agency, and purpose in your thirties. Jay's advice : Set some goals that matter to you and work towards them. Whether their professional, personal, or social. Do the Math. We all tend to discount the future in favor of the present.
