Without meaning to let daylight in on magic, one of the chief jobs of any actor playing the role of the Doctor is to make the TARDIS console look like it is fully operational. It doesn't really matter whether the switches are shiny and fresh or tarnished and brassy, in the real world, none of them do a thing, so they have to be invested with power, and that's what the Doctor does.

But Magic of the Angels, within the parameters it has to be written to, is a decent little story. The Doctor, Amy and Rory are captured with all the flippancy of their TV personas - there's some witty banter between the three as they attempt to see the sights of London, the Doctor in his plastic bowler hat and T-shirt getting them flung off tour buses as he corrects the historical inaccuracies of the tour guides or escorted out of St Paul's for bad behaviour ( " we got thrown out of the ...
