The year was 1896, the woman was Alice Guy-Blaché, and the film was The Cabbage Fairy. It was less than a minute long, Guy-Blaché, the first female director, made hundreds of movies during her career. Thousands of women with passion and commitment to storytelling followed in her footsteps. Working in all aspects of the movie industry, they collaborated with others to create memorable images on the screen. This book pays tribute to the spirit, ambition, grit and talent of these filmmakers and artists. With more than 1200 women featured in the book, you will find names that everyone knows and loves—the movie legends. But you will also discover hundreds and hundreds of women whose names are unknown to you: actresses, directors, stuntwomen, screenwriters, composers, animators, editors, producers, cinematographers and on and on. Stunning photographs capture and document the women who worked their magic in the movie business. Perfect for anyone who enjoys the movies, this photo-treasury of women and film is not to be missed.

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check. Twelve Angry Men holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, Twelve Angry Men had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Reprint. Originally published: New York: Vintage Books, 1966.

As the leading fan magazine in the post-war era, Photoplay constructed female stars as social types who embodied a romantic and leisured California lifestyle. Addressing working and lower-middle class readers who were prospering in the first mass consumption society, the magazine published not only publicity stories but also beauty secrets, fashion layouts, interior design tips, recipes, advice columns, and vacation guides. Post-war femininity was constructed in terms of access to commodities in suburban houses as the site of family togetherness. As the decade progressed, however, changing social mores regarding female identity and behavior eroded the relationship between idolized stars and worshipful fans. When the magazine adopted tabloid conventions to report sex scandals like the Debbie-Eddie-Liz affair, stars were demystified, and fans became scandalmongers. But the construction of female identity based on goods and performance that resulted in unstable, fragmented selves remains a legacy evident in postmodern culture today.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

This book includes 9 projects on building smart and practical AI-based systems. These projects cover solutions to different domain-specific problems in healthcare, e-commerce and more. With this book, you will apply different machine learning and deep learning techniques and learn how to build your own intelligent applications for smart ...

This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade ' s major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

Blackwood, Vermont has one legend to its name-Benny Rose, the Cannibal King. Every local kid knows him and tells his stories, especially on Halloween. When a new girl moves to town in the autumn of 1987, the legend inspires high school junior Desiree St. Fleur and her friends to pull a Benny Rose-themed prank. A few laughs and screams, and they'll have a Happy Halloween.But a vicious storm crashes into Blackwood and interrupts the festivities. Soon the girls find themselves trapped and hunted in a strange neighborhood where no one will help them. There's nothing made-up about Benny Rose this Halloween night. The truth is coming, and it's hungry." Hailey Piper is a major new voice in the horror genre, and Benny Rose, the Cannibal King is the perfect place to start with her work. A short and magnificent shock to the system, this one has got everything: great characters, fantastic vintage horror vibes, and a terrifying urban legend at the center of it all. Keep an eye on Hailey's work; she is seriously going places."-Gwendolyn Kiste, Bram Stoker Award-winning author of The Rust Maidens"A good urban legend has a way of seeping into your bones and refusing to crawl out," Hailey Piper's Cannibal King is certainly one of those that will be creeping into my mind, late at night and unbidden, for a long time to come. Benny Rose is an unforgettable terror, rivaled only by the gutsy teens who dare to go up against him."-Claire Holland, author of I Am Not Your Final Girl!"I see your slumber party massacre and raise you a taste of human tragedy, a funhouse ride of plot twists, and a heaping side of gore. Hailey Piper has the audacity to write teenage mean girls as thinking, feeling, bad-ass human beings."-Joanna Koch, author of The Couvade"Sometimes when we tell ourselves stories, we unwittingly awaken and summon the very monster we thought only lived in our minds.... Witness a brilliant cast of characters take a chomping bite out of a local folk story that proves itself all too real. With haunted hearts and burning teeth, Piper's sharp prose delivers a whirlwind tale; here, we peel back the layers of our strong, female leads and root for them to conquer the night."-Sara Tantlinger, Bram Stoker Award-winning author of The Devil's Dreamland

Master detective Sherlock Holmes enters the macabre and nightmarish world of H. P. Lovecraft to solve a series of bizarre cases in a collection of short fiction by twenty leading authors, including Neil Gaiman, Steve Perry, Brian Stableford, Poppy Z. Brite, Barbara Hambly, and Caitlin Kiernan, among others. Reprint. 12,500 first printing.
