I've read the other books in the First Comes Love series, but Finally, Forever is the part of Dylan and Gray's story that has been a long time coming. It really can be read as a stand-alone, but I hope that readers who read this first will fall in love with Gray and Dylan as much as I have and decide to read their story from the beginning.

Ten months after his twin sister dies, with his family falling apart, Gray Thomas meets an unusual girl at the community college who makes him think life is interesting again.

“Unputdownably romantic!” —Tammara Webber, New York Times bestselling author of Easy For most of her teenage life, CeCe Edmonds has been dealing with the stares and the not-so-polite whispers that follow her around Edgelake High. So she has a large scar on her face—Harry Potter had one on his forehead and people still liked him. CeCe never cared about her looks—until Emmett Brady, transfer student and football darling, becomes her literature critique partner. The only problem? Emmett is blindsided by Bryn DeNeuville, CeCe’s gorgeous and suddenly shy volleyball teammate. Bryn asks CeCe to help her compose messages that’ll charm Emmett. CeCe isn’t sure there’s anything in his head worth charming but agrees anyway—she’s a sucker for a good romance. Unfortunately, the more messages she sends and the more they run into each other, the more she realizes there’s plenty in his head, from food to literature. Too bad Emmett seems to be falling for the wrong girl... Disclaimer: This Entangled Teen Crush book involves one fiercely scarred girl who wants the new guy in town, the new guy who thinks he wants the new girl, and the new girl who really isn’t sure what she wants, and the misunderstanding that brings them all together. This modern Cyrano de Bergerac retelling will make you laugh, swoon, and fall in love.

#1 NEW YORK TIMES BESTSELLER • A pair of sisters find themselves at a crossroads in this dazzling new novel from the author of *Something Borrowed*, *Where We Belong*, and *The One & Only*. *First Comes Love* is a story about family, friendship, and the courage to follow your own heart—wherever that may lead. Growing up, Josie and Meredith Garland shared a loving, if sometimes contentious, relationship. Josie was impulsive, spirited, and outgoing, Meredith hardworking, thoughtful, and reserved. When tragedy strikes, their delicate bond splinters. Fifteen years later, Josie and Meredith are in their late thirties, following very different paths. Josie, a first grade teacher, is single—and this close to swearing off dating for good. What she wants more than the right guy, however, is to become a mother—a feeling that is heightened when her ex-boyfriend’s daughter is assigned to her class. Determined to have the future she’s always wanted, Josie decides to take matters into her own hands. On the outside, Meredith is the model daughter with the perfect life. A successful attorney, she’s married to a wonderful man, and together they’re raising a beautiful four-year-old daughter. Yet lately Meredith feels dissatisfied and restless, secretly wondering if she chose the life that was expected of her rather than the one she truly desired. As the anniversary of their tragedy looms, and painful secrets from the past begin to surface, Josie and Meredith must not only confront the issues that divide them but also come to terms with their own choices. In their journey toward understanding and forgiveness, both sisters discover that they need each other more than they knew—and that in the search for true happiness, love always comes first. In fact, she was hoping their wild loving would put Will in the mind to marry and make some babies of his own—with her!
