Synopsis First came the man: a young wanderer in a fatigue coat and long hair. Then came the legend, as Rambo sprang from the pages of First Blood to take his place in the world's cultural landscape.

First Blood - David Morrell

First Blood is a 1972 American action thriller novel by David Morrell about a troubled homeless Vietnam War veteran, known only by his last name of Rambo, who ends up in a bloody standoff with local police in Kentucky. It was notably adapted into the 1982 film First Blood starring Sylvester Stallone, which ended up spawning an entire media franchise around the Rambo character.

First Blood by Morrell, First Edition, Signed - AbeBooks
David Morrell is a Canadian-American writer that created the
character John Rambo. However, the character in the movies is
completely different than Morrell's original character. He is most
famous for his debut novel, First Blood, although he has written 28
novels, including three nonfiction books and a comic book
miniseries about Captain America.

From New York Times bestselling author, David Morrell, comes a classic thriller that introduced the character of Rambo, one of the most iconic action heroes of the twentieth century. Called "the father of the modern action novel," FIRST BLOOD changed the genre. Although the book and the film adaptation have similarities, they are very different, especially its unexpected ending and its greater intensity. If you've only experienced the film, you're in for a surprise. Once they were soldiers. Rambo, the ragged kid whose presence in town is considered a threat. And Teasle, the Chief of Police of Madison, Kentucky. Both have been trained to kill: Rambo in Vietnam, Teasle in Korea. They learned different military tactics, different ways of death and survival in two different wars. Now, without warning, they are enemies in a civilian combat that becomes a chase through the woods and mountains and caves above

the town. As we follow them, we understand that once a man has been trained as a killer, perhaps he is changed forever. Awardwinning FIRST BLOOD was published in 1972, was translated into 26 languages, and has never been out of print. It was one of the first novels to deal with post-traumatic stress disorder. David's novelizations for RAMBO (FIRST BLOOD PART II) and RAMBO III are available as e-books. They're quite different from the films and include revealing introductions. See also David's RAMBO AND ME: THE STORY BEHIND THE STORY. Critical reactions: "A fine novel. . . . When Johnny comes marching home this time, watch out." —The New York Times Sunday Book Review "A firstrate thriller." —Newsweek "One of the finest chase novels you will ever read." —Minneapolis Tribune "A terrific thriller." —Saturday Review "One hell of a hard, fast novel." —John D. MacDonald

One war waged against one man: RAMBO First came the man: a young wanderer in a fatigue coat and long hair. Then came the legend, as John Rambo sprang from the pages of FIRST BLOOD to take his place on the world's cultural landscape. This remarkable novel pits a young, disillusioned and ragged Vietnam veteran against a small-town cop who has no idea whom he is dealing with or how far Rambo will take him into a life-and-death struggle through the woods, hills and caves of rural Kentucky. From bestselling author David Morrell, this is the critically acclaimed thriller that launched the cultural phenomenon, Rambo. If you know Rambo only from the films, be prepared to be amazed.

Written to celebrate the author's ninety-first birthday - a flawless

piece of classic comic writing. What happened to Monty Bodkin's love for Hockey International Gertrude Butterwick? His year in Hollywood completed, he leaves behind his heartbroken secretary, Sandy Miller, and arrives in London to claim his Amazon's had. However, teh Bodkin road to happiness is arduous, and pitfalled through and through

A brilliant historical mystery series begins: in gaslit Victorian London, writer Thomas De Quincey must become a detective to clear his own name. Thomas De Quincey, infamous for his memoir Confessions of an English Opium-Eater, is the major suspect in a series of ferocious mass murders identical to ones that terrorized London forty-three years earlier. The blueprint for the killings seems to be De Quincey's essay On Murder Considered as One of Page 16/25

the Fine Arts. Desperate to clear his name but crippled by opium addiction, De Quincey is aided by his devoted daughter Emily and a pair of determined Scotland Yard detectives. In Murder as a Fine Art, David Morrell plucks De Quincey, Victorian London, and the Ratcliffe Highway murders from history. Fogbound streets become a battleground between a literary star and a brilliant murderer, whose lives are linked by secrets long buried but never forgotten.

WHAT IS THE STORY GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of Page 17/25

stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story'the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

They were orphans, Chris and Saul -- raised in a Philadelphia school for boys, bonded by friendship, and devoted to a mysterious man called Eliot. He visited them and brought them candy. He

Page 18/25

treated them like sons. He trained them to be assassins. Now he is trying desperately to have them killed. From the master of high action comes a classic espionage thriller that changed the way spy novels were written, the first to combine the British tradition of authentic espionage tradecraft with the American tradition of nonstop action. He visited them in the orphanage. He brought them candy and taught them to love him as a father. He trained them to be assassins. Now he is trying desperately to have them killed. Spanning the globe and decades of CIA history, THE BROTHERHOOD OF THE ROSE is a thriller of fierce loyalty and violent betrayal, of murders planned and coolly executed, of revenge bitterly, urgently desired. "David Morrell is a master of suspense. He wields it like a stiletto—know just where to stick it and how to turn it. If you're reading Morrell, you're sitting on the edge

of your seat."—Michael Connelly "Imagine a suspense thriller as riveting as The Thirty-Nine Steps or Rogue Male, featuring heroes the equal of Adam Hall's Quiller, and crackling with more action than The Road Warrior, Dirty Harry, and The Seven Samurai. Sounds too good to be true? Then just read David Morrell's THE BROTHERHOOD OF THE ROSE."—Washington Post Book World "Fast-paced, intelligent, exciting and hard-hitting." —Nelson DeMille, New York Times bestselling author of The Panther "David Morrell is, to me, the finest thriller writer living today." —Steve Berry, New York Times bestselling author of The Columbus Affair

The notorious Opium-Eater returns in the sensational climax to David Morrell's acclaimed Victorian mystery trilogy. 1855. The Page 20/25

railway has irrevocably altered English society, effectively changing geography and fueling the industrial revolution by shortening distances between cities: a whole day's journey can now be covered in a matter of hours. People marvel at their new freedom. But train travel brings new dangers as well, with England's first death by train recorded on the very first day of railway operations in 1830. Twenty-five years later, England's first train murder occurs, paralyzing London with the unthinkable when a gentleman is stabbed to death in a safely locked first-class passenger compartment. In the next compartment, the brilliant opium-eater Thomas De Quincey and his quick-witted daughter, Emily, discover the homicide in a most gruesome manner. Key witnesses and also resourceful sleuths, they join forces with their allies in Scotland Yard, Detective Ryan and his partner-in-training,

Becker, to pursue the killer back into the fogbound streets of London, where other baffling murders occur. Ultimately, De Quincey must confront two ruthless adversaries: this terrifying enemy, and his own opium addiction which endangers his life and his tormented soul. Ruler of the Night is a riveting blend of fact and fiction which, like master storyteller David Morrell's previous De Quincey novels, "evokes Victorian London with such finesse that you'll hear the hooves clattering on cobblestones, the racket of dustmen, and the shrill calls of vendors" (Entertainment Weekly).

After creating Rambo in his debut novel, First Blood, David Morrell wrote his most intense novel, Testament. Its publisher called it "almost unbearably involving." Hunted by a powerful enemy, a man and his family flee their home and civilization. This thriller Page 22/25

classic influenced many later thriller authors. It is not for the faint of heart. This special e-book edition has been newly revised and updated. David Morrell is the critically acclaimed author of the classic espionage trilogy, The Brotherhood of the Rose, The Fraternity of the Stone, and The League of Night and Fog. An Edgar, Anthony, and Macavity nominee, he received three Bram Stoker awards from the Horror Writers Association as well as the lifetime-achievement Thriller Master Award from the International Thriller Writers organization. "A grim and gripping novel of implacable evil and the pursuit of survival." —Publishers Weekly "Terrors as insistent as a scream in a still night." —Sunday Telegraph "Fear oozes out between the lines." —Minneapolis Tribune

Peter Houston's journey to France to visit the grave of his father, killed in 1944, becomes a nightmare of murder, revenge, deception, and betrayal

Since 1889, mysterious lights have appeared outside Rostov, a remote Texas town. Ranchers believed them to be the campfires of rustlers, but campfires don't rise and fall, merge, and change colors. In World War I, the locals believed that the lights came from German forces massing on the Mexican border. In the Second World War, the US military built an airfield there and used planes to try to discover the secret of the lights. In 1980, the entire town set out on a "Ghost Light Hunt." For more than a century, each attempt to get close to the lights met with horrifying results. Now police officer Dan Page follows the trail of his missing wife from New

Mexico to Texas and discovers that she and hundreds of spectators have become enraptured by the lights. After a crazed gunman fires obsessively into the crowd, the stage is set for more death. To save his wife, Page must confront the mystery of the lights. His desperate search reveals a government conspiracy that dates back to World War II. The abandoned airfield is more than what it seems. So is a nearby observatory, with a purpose even more mysterious and lethal than the lights themselves. Drawing his inspiration from the real-life Marfa lights, critically acclaimed Morrell packs The Shimmer with his trademark blend of action and terror.
