In a place she doesn't belong, in a time that is not her own, a shattered woman risks everything for the one thing she's never had--love. When Kinley Chandler abruptly lands in medieval Scotland, there isn't much she's leaving behind. With her body shattered and her military career over, Kinley has resigned herself to death. But in the past, all that changes. Lachlan McDonnell, the laird of a clan of immortal highlanders, can hardly believe his good fortune. Not only does the mysterious lass save his life, she awakens his heart in a way he'd thought no longer possible. But the druid spells that allow Lachlan's clan to live forever have a dark side as well. He and his men know all too well that the magic folk never give without taking. Though he is sworn to protect them from the dreaded undead, the price of his loyalty may finally be too high.

Time is an illusion and love the only reality. On her way to a reenactment of a medieval festival in Scotland, Amber McPhee loses control of her car. She plunges into the waters of Loch Ness and back through centuries to the arms of a handsome Highlander. The immortal warrior Lachlan MacAlpin rescues a mysterious woman from Loch Ness, believing she is the one who haunts his dreams, the one foretold to release him from the bloodlust that threatens to consume him. He takes her under his protection, but falling in love with her is not part of his plan, since the prophecy predicts she will leave him as suddenly as she appeared. Their eternal bond shatters the barriers of time, but how can they triumph over a deadly foe bent on destroying their love and everything Lachlan holds dear?

During a battle, a Frenchwoman lands among the clan, a grim harbinger of things to come. For Mariena Douet, actions speak louder than words. At her first opportunity, she puts the clan on notice: no one is to touch her. To make certain they understand, she deftly steals a blade and draws Mag Raith blood. Broden Mag Raith, who has patiently waited for his lover for months, now can't wait to get away from her. The gentle woman of his dreams turns out to be a killer. But the clan may come to appreciate her skills when the unthinkable happens: their enemy breaches the castle.

When a modern day archaeologist lands in medieval Scotland, she leaves behind the one thing that might truly help-her memory. But Jema McShane doesn't make the trip alone. Her twin brother Gavin falls through time with her. Separated immediately, Gavin must fend for himself. But Jema lands in the powerful arms of the only Viking member of the McDonnell clan, Tormod. The giant Norseman can scarcely believe how the fates have favored him. His only desire is to protect the strange and beautiful woman, even if it means keeping her existence a secret. But for Gavin, the fates have a different path in store. His world becomes one of darkness, the likes of which he has never known.

Timid but tough Sophia Chambers has finally found the perfect job for her strange ability. As a private detective's assistant, she trails and photographs people with ease, because she can make herself unseen. But when she stumbles into the arms of Dominic Berrett, she finds she no longer wants to hide. Though Dominic's stunning looks could easily make him a model, he's the farthest thing from it. As a warlock and captain in the Magus Corps, he's been deployed to bring Sophia into a witchcraft fold that she doesn't even know exists. Despite his five-hundred years as an immortal, he discovers something unexpectedly captivating in the beautiful but shy young woman. But when her deadly past catches up to her and an ancient enemy of witchcraft emerges, Sophia and Dominic's intense feelings for each other surface in ways that neither could have foreseen. As passion explodes and desires are unleashed, each will make choices from which there is no return.

It wasn't part of the plan. But when all the members of the Highland Angels cheerleading team came through the portal, the plan didn't matter.
