Social Media Law - HG.org

Media simply refers to a vehicle or means of message delivery system to carry an ad message to a targeted audience. Media like TV, Radio, Print, Outdoor and Internet are instruments to convey an advertising message to the public. The main task of media planners is to select the most appropriate media channels that can effectively communicate the advertising message to a targeted audience.

Time is of the essence, especially when it comes to effective social media for lawyers. Consider creating a social media content calendar and using social media scheduling tools (like Hootsuite ). By pre-planning when you'll release your content, you remove the stress of trying to think of what to post in the moment.
