Chapter 1 of Glenn Greenwald's new book, *No Place to Hide: Edward Snowden, the NSA, and the...*

An investigative reporter for The Guardian and best-selling author of *With Liberty and Justice for Some* presents an assessment of the NSA surveillance scandal that has triggered debates over national security and information privacy to explore its alliances and consequences. 150,000 first printing.

A groundbreaking look at the NSA surveillance scandal,

File Type PDF No Place To Hide Edward Snowden The

from the reporter who broke the story, Glenn Greenwald, star of Citizenfour, the Academy Award-winning documentary on Edward Snowden In May 2013, Glenn Greenwald set out for Hong Kong to meet an anonymous source who claimed to have astonishing evidence of pervasive government spying and insisted on communicating only through heavily encrypted channels. That source turned out to be the 29-year-old NSA contractor and whistleblower Edward Snowden, and his revelations about the agency's widespread, systemic overreach proved to be some of the most

File Type PDF No Place To Hide Edward Snowden The

explosive and consequential news in recent history, triggering a fierce debate over national security and information privacy. As the arguments rage on and the government considers various proposals for reform, it is clear that we have yet to see the full impact of Snowden's disclosures. Now for the first time, Greenwald fits all the pieces together, recounting his high-intensity ten-day trip to Hong Kong, examining the broader implications of the surveillance detailed in his reporting for The Guardian, and revealing fresh information on the NSA's unprecedented abuse of

File Type PDF No Place To Hide Edward Snowden The

power with the never-before-seen documents entrusted to him by Snowden himself. Going beyond NSA specifics, Greenwald also takes on the establishment media, excoriating their habitual avoidance of adversarial reporting on the government and their failure to serve the interests of the people. Finally, he asks what it means both for individuals and for a nation's political health when a government pries so invasively into the private lives of its citizens—and considers what safeguards and forms of oversight are necessary to protect democracy in the digital age. Coming at a

File Type PDF No Place To Hide Edward Snowden The

landmark moment in American history, *No Place to Hide* is a fearless, incisive, and essential contribution to our understanding of the U.S. surveillance state.

GLENN GREENWALD is the author of several best sellers, including *How Would a Patriot Act?* and *With Liberty and Justice for Some*. Acclaimed as one of the 25 most influential political commentators by *The Atlantic* and one of the Top 100 Global Thinkers by *Foreign Policy* for 2013, Greenwald is a former constitutional law and civil rights attorney. He was a columnist for *The Guardian*

File Type PDF No Place To Hide Edward Snowden The

Nea And The Surveillance State until October, 2013, and is now building a new media organization. He is a frequent guest on CNN, MSNBC and various other television and radio outlets. His NSA reporting in 2013 has won numerous awards, including the top investigative journalism award for the 2013 Online Journalism Association, the Esso Award for Excellence in Reporting (the Brazilian equivalent of the Pulitzer Prize), and the 2013 Pioneer Award from Electronic Frontier Foundation. He is also the recipient of the first annual I.F. Stone Award for Independent Journalism in 2009 and the 2010 Online

From the three-time Pulitzer Prize-winning author of the New York Times bestseller *Angler*, who unearthed the deepest secrets of Edward

File Type PDF No Place To Hide Edward Snowden The

Snowden's NSA archive, the first master narrative of the surveillance state that emerged after 9/11 and why it matters, based on scores of hours of conversation with Snowden and groundbreaking reportage in Washington, London, Moscow and Silicon Valley Edward Snowden chose three journalists to tell the stories in his Top Secret trove of NSA documents: Barton Gellman of The Washington Post, Glenn Greenwald of The Guardian and filmmaker Laura Poitras, all of whom would share the Pulitzer Prize for Public Service. Poitras went on to direct the Oscar-winning

File Type PDF No Place To Hide Edward Snowden The

Citizen Four. Greenwald wrote an instant memoir and cast himself as a pugilist on Snowden's behalf. Barton Gellman took his own path. Snowden and his documents were the beginning, not the end, of a story he had prepared his whole life to tell. More than 20 years as a top investigative journalist armed him with deep sources in national security and high technology. New sources reached out from government and industry, making contact on the same kinds of secret, anonymous channels that Snowden used. Gellman's old reporting notes unlocked new puzzles in the NSA archive.

File Type PDF No Place To Hide Edward Snowden The

Long days and evenings with Snowden in Moscow revealed a complex character who fit none of the stock images imposed on him by others. Gellman now brings his unique access and storytelling gifts to a true-life spy tale that touches us all. Snowden captured the public imagination but left millions of people unsure what to think. Who is the man, really? How did he beat the world's most advanced surveillance agency at its own game? Is government and corporate spying as bad as he says? Dark Mirror is the master narrative we have waited for, told with authority and an inside view

File Type PDF No Place To Hide Edward Snowden The

of extraordinary events.

Within it is a personal account of the obstacles facing the author, beginning with Gellman's discovery of his own name in the NSA document trove. Google notifies him that a foreign government is trying to compromise his account. A trusted technical adviser finds anomalies on his laptop. Sophisticated impostors approach Gellman with counterfeit documents, attempting to divert or discredit his work.

Throughout *Dark Mirror*, the author describes an escalating battle against unknown digital adversaries, forcing him to mimic their

File Type PDF No Place To Hide Edward Snowden The

tradecraft in self-defense.

Written in the vivid scenes and insights that marked Gellman's bestselling Angler, Dark Mirror is an inside account of the surveillance-industrial revolution and its discontents, fighting back against state and corporate intrusions into our most private spheres. Along the way it tells the story of a government leak unrivaled in drama since All the President's Men.

In 2019, award-winning journalist Glenn Greenwald writes in this gripping new book, "a series of events commenced that once again

File Type PDF No Place To Hide Edward Snowden The

placed me at the heart of a sustained and explosive journalistic controversy."

New reporting by Greenwald and his team of Brazilian journalists brought to light stunning information about grave corruption, deceit, and wrongdoing by the most powerful political actors in Brazil, his home since 2005. These stories, based on a massive trove of previously undisclosed telephone calls, audio, and text shared by an anonymous source, came to light only months after the January 2019 inauguration of Brazil 's far-right president, Jair Bolsonaro, an ally of President Trump. The revelations "had an

File Type PDF No Place To Hide Edward Snowden The

explosive impact on Brazilian politics" (The Guardian) and prompted serious rancor, including direct attacks by President Bolsonaro himself, and ultimately an attempt by the government to criminally prosecute Greenwald for his reporting. "A wave of death threats--in a country where political violence is commonplace--have poured in, preventing me from ever leaving my house for any reason without armed guards and an armored vehicle," Greenwald writes. Securing Democracy takes readers on a fascinating ride through Brazilian politics as Greenwald, his husband, the

File Type PDF No Place To Hide Edward Snowden The

left-wing Congressman David Miranda, and a powerful opposition movement courageously challenge political corruption, homophobia, and tyranny. While coming at serious personal costs for himself and his family, Greenwald writes, "I have no doubt at all that the revelations we were able to bring to the public strengthened Brazilian democracy in an enduring and fundamental way. I believe we righted wrongs, reversed injustices, and exposed grave corruption." The story, he concludes, "highlights the power of transparency and the reason why a free press

File Type PDF No Place To Hide Edward Snowden The New And The Surveillance State remains the essential linchpin for securing democracy."

NEW YORK TIMES BESTSELLER
Edward Snowden, the man who risked everything to expose the US government's system of mass surveillance, reveals for the first time the story of his life, including how he helped to build that system and what motivated him to try to bring it down. In 2013, twenty-nine-year-old Edward Snowden shocked the world when he broke with the American intelligence establishment and revealed that the United States government was secretly

File Type PDF No Place To Hide Edward Snowden The

New And The Surveillance State

pursuing the means to collect every single phone call, text message, and email. The result would be an unprecedented system of mass surveillance with the ability to pry into the private lives of every person on earth. Six years later, Snowden reveals for the very first time how he helped to build this system and why he was moved to expose it. Spanning the bucolic Beltway suburbs of his childhood and the clandestine CIA and NSA postings of his adulthood, Permanent Record is the extraordinary account of a bright young man who grew up online—a man who became a

File Type PDF No Place To Hide Edward Snowden The

spy, a whistleblower, and, in exile, the Internet's conscience. Written with wit, grace, passion, and an unflinching candor, Permanent Record is a crucial memoir of our digital age and destined to be a classic.

From "the most important voice to have entered the political discourse in years" (Bill Moyers), a scathing critique of the two-tiered system of justice that has emerged in America From the nation's beginnings, the law was to be the great equalizer in American life, the guarantor of a common set of rules for

File Type PDF No Place To Hide Edward Snowden The Nsa And The Surveillance State

all. But over the past four decades, the principle of equality before the law has been effectively abolished. Instead, a two-tiered system of justice ensures that the country's political and financial class is virtually immune from prosecution, licensed to act without restraint, while the politically powerless are imprisoned with greater ease and in greater numbers than in any other country in the world. Starting with Watergate, continuing on through the Iran-Contra scandal, and culminating with Obama's shielding of Bush-era officials from prosecution, Glenn Greenwald

File Type PDF No Place To Hide Edward Snowden The

lays bare the mechanisms that have come to shield the elite from accountability.

He shows how the media, both political parties, and the courts have abetted a process that has produced torture, war crimes, domestic spying, and financial fraud. Cogent, sharp, and urgent, this is a no-holds-barred indictment of a profoundly un-American system that sanctions immunity at the top and mercilessness for everyone else.

of Glenn Greenwald's book

Inside this Instaread

Summary: Overview of the entire book Introduction to the Important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Reader's Perspective Preview of this summary: Chapter 1

Edward Snowden first contacted Glenn Greenwald on December 1, 2012, using the alias name Cincinnatus.

Snowden is a former Senior Advisor to the NSA, a former Field Officer with the CIA, and a former lecturer for the United States Defense Intelligence Agency. He had confidential information he wanted to share with

File Type PDF No Place To Hide Edward Snowden The

Greenwald, but would only do it if he knew their connection was secure.

Greenwald is a journalist known for his reporting on the wrongdoings of the National Security Agency (NSA). Snowden wanted Greenwald to use PGP (pretty good privacy) encryption on his computer so that he could safely send him some information that he had gathered. Although Greenwald considered adding these extra security measures to his computer, he was very busy with other things and did not want to take the time to put the complicated software in place. Snowden sent him a guide on how to

File Type PDF No Place To Hide Edward Snowden The

New And The Surveillance State

add the encryption, but Greenwald still took no action. Snowden offered to find someone who could help Greenwald install the system. Without positive proof that the information Snowden had was really newsworthy, Greenwald did not feel motivated to take the steps necessary to install the PGP encryption. However, without a secure form of communication in place, Snowden was unwilling to risk sharing the information he had with Greenwald. This communication between the two took place over several weeks and then came to a standstill. On April 18,

File Type PDF No Place To Hide Edward Snowden The

Laura Poitras contacted Greenwald. Laura Poitras is a documentary filmmaker who is known for fearlessly taking risks in making her films. She made three films about the conduct of the United States during the war on terror, which made her a target of government officials whenever she entered or left the country. Poitras wanted to talk to Greenwald about something but would only do it in person and in private in a secure location...
