Polycom® SoundStation IP 7000 Phone

I have a new Soundstation IP 7000 and when I try to go to that Soundstation's IP address to manage it via the web, I get an pop up window for the user name and password. This is very different than what I see in the manual. I tried the user name of "Admin" with the default password and even "User" with "123" with no luck.
