Selected Issues In Equity Compensation, 2nd Ed. The Internet has provided us with an opportunity to share all kinds of information, including music, movies, and, of course, books. Regrettfully, it can be quite daunting to find the book that you are looking for because the majority of websites do a poor job of organizing their content or their databases are very small.

www.holy-things.com

In the case of equity compensation, a company issues shares, receiving cash and tax benefits, increasing its total outstanding share count. The two kinds of transactions: buybacks and equity compensation: are complementary, but their connection is obscured by the asymmetries in the timing, approval processes, and securities and financial disclosures for each.

Dilution, Disclosure, Equity Compensation, and Buybacks

Select Administrative Issues to Consider When Granting Equity Awards By Anthony J. Eppert on June 11, 2020 Posted in Compensation Design The purpose of this Post is to highlight some of the administrative issues that should be vetted any time the Compensation Committee of a publicly-traded company effectuates a grant of equity to key employees.

Select Administrative Issues to Consider When Granting ...

Equity compensation awards are treated as an expense on a company's income statement. One of the largest issues in accounting for options and ESPPs is the need to assess (often at the time of grant) a current value for awards whose ultimate value to the participant (if any) is known only years later.
