It's always true, though, that there will be similarities and patterns among the five answer choices of Sentence Correction. This means, it's always the most powerful Sentence Correction strategy to read carefully only the prompt sentence, then scan the answer choices, eliminating based on comparisons of similarities and differences. You may be able to narrow the choices down to one simply through scanning, but even if you narrow it down to two, much better to read word-for-word only two ...
