# File Type PDF The Age Of Revolution

The Age of Revolution is a period in history, which, for the purposes of the Great Debate 2019, we are considering as 1775-1848. Over the course of these years, society underwent a series of revolutions in almost all theatres of life: political, war, social and cultural, and economic and technological. Revolutionary ideas and revolutionary actions swept across the world, and historians still discuss and debate the overall impact and change over this period.
