The DR430 can actually convert your home movies into 1080p resolution. Home movies aren't the only videos you can record either. If you remember your old VHS, then you remember recording favorite TV shows. Now you don't have to use your old VHS to do so, since the DR430 can do that too. And it's so easy to do with the One Touch Recording feature. You just need to hook up your cable or satellite service to the DVD recorder.
