UNMASQUED | jenmaren

Unmasked is a completely riveting and, yes, incredibly hot take on a story which had been told many times, only making me want to read the other takes from the author on other well-known stories. And that is why stopping at a book's genre can be a complete mistake. A riveting, hot, five stars! ??????

the world's most infamous stories of dark passion...now retold in a novel of breathtaking historical erotica. An exquisite obsession... Christine Daaé has heard terrifying stories of the man known as The Phantom of the Opera. But, as the Paris Opera House's youngest and most compelling star, Christine has learned the truth about the scarred man. In a lush hideaway beneath the Opera House, she craves the velvet timbre of his arousing voice, and quivers beneath the touch of his leather gloves. The Phantom is real. Her Musique d'Ange. Her liberator. And Christine is his inspiration. An erotic awakening... Condemned to the catacombs beneath the streets of Paris, Erik watches the beautiful, talented Christine from the shadows. He is careful to keep his identity and his secret in the dark, but he cannot resist her beauty and her talent. Her extraordinary loveliness haunts him like no other woman...and only he can pleasure her like no other man. But his sensual power comes with a price—and a risk to everyone who stands between them. For Christine too is succumbing to her most forbidden and dangerous desires...and as she gives everything for the Phantom, her world spirals into the darkest and most dangerous eroticism of all. "...A labyrinth of dark, extravagant eroticism...to the romance at the story's heart. Grandly conceived, wildly inventive in its smallest details...." --Molly Weatherfield, author of *Carrie's Story*

The second English translation of La Rochefoucauld's maxims was made by Mrs Aphra Behn, a woman who is now admired as England's first professional female author. This facing-page bilingual edition offers an accurate translation of the text, an introduction and extensive annotations of the maxims.
